

What to bring for your dove hunt and BE SAFE.

You should bring your own gun

Shotgun Shells

Dove vest/bird bag

You must have a valid Texas hunting license and Personal ID

Have shears or a knife as needed

Have plastic baggies for your game meat, and ice/cooler to transport the game

Day Lease Agreement

Good Idea to...

Wear good comfortable boots that you have broken in before hunting

Wear appropriate clothing to be comfortable

Have and drink plenty of water

Practice firearm Safety....don't point at anything you are not willing to destroy...finger off trigger until sights are on target...all guns are loaded...never move, climb, enter or exit a vehicle, or exchange loaded guns, know your target, your field of fire, and what's beyond both BEFORE pulling the trigger
